THE ADVICE PROCESS AND DOCUMENTS YOU MAY RECEIVE

Your Adviser will guide you through the advice process. This includes the following steps:

Engagement and Discovery

In the initial stages of the advice process your Adviser will work with you to define your financial goals and objectives, and gather relevant information required to provide you appropriate advice.

Your Adviser will generally collect relevant information within a **Client Data Form** and file notes. You can expect to be asked questions related to your income, expenses, assets, liabilities, insurances and superannuation. It is important that you provide accurate information and keep your Adviser informed of any changes to your relevant circumstances. Your Adviser will ask you to consent to your personal information being collected and stored. Please refer to the 'Privacy' section for more information on how we manage your privacy.

Where your goals relate to investment or superannuation advice your Adviser will also work with you to define your level of risk tolerance. A **Risk Profile Questionnaire** may be used to document and agree upon your level of risk tolerance.

Your Adviser may also use an **engagement document** to define the arrangement with you, and the fees that may apply.

Your Adviser will also need to verify your identity to comply with Anti-Money Laundering and Counter Terrorism Financing laws.

Strategy and Personal Advice

After obtaining relevant information, your Adviser will conduct research and develop a strategy to assist you to meet your goals and objectives. The strategy is typically developed utilising specialised financial planning software.

Where personal financial product advice is being provided, the strategy will be documented in a **Statement of Advice**. The Statement of Advice will include amongst other things, the basis of the advice, explanation of the strategies and products recommended and relevant disclosures including costs of advice and products. The Statement of Advice includes an authority to proceed section where you can consent to proceed with the recommendations.

Where a financial product has been recommended, you will generally be provided with a copy of the relevant **Product Disclosure Statement (PDS)**. The PDS includes detailed information on the financial product including features, benefits, conditions, costs and cooling off rights (if applicable).

Implementation

Where you elect to proceed with the recommendations your Adviser will work with you to implement the strategy. This may include liaising with various insurance, superannuation, or investment product issuers.

Where the recommendations include the purchase of a new financial product, your Adviser will work with you to complete the relevant **Product Application Form**. This may be online, or paper based.

Where the recommendations include the purchase of an insurance policy, you may also need to complete a **Health Questionnaire**. This could be online, paper-based or over the phone. It is important to disclose any health or personal matters truthfully. Failure to disclose certain matters may result in a claim being denied.

GENERAL ADVICE

Your Adviser may provide you with general advice that does not consider your personal circumstances, needs or objectives. Your Adviser will give you a warning when they provide you with general advice. You should consider whether you need personal advice which takes into account your individual situation before you make any decisions.

FURTHER ADVICE

Depending on your relevant circumstances, you may require further advice such as adjustments to superannuation contributions, insurance benefit amounts, or a review of your strategy.

Further advice can generally be documented in a **Record of Advice** and relevant file notes. In some instances, a Statement of Advice may be required. You may request, in writing, a copy of any advice document up to seven (7) years after the advice has been given.

An **Ongoing Fee Arrangement** may be utilised to formalise the ongoing services that your Adviser has agreed to provide for a fee.

Where you have entered into an ongoing fee arrangement for a period of greater than 12-months, you will receive a **Fee Disclosure Statement (FDS)** annually.

The FDS will detail services and fees paid for the previous 12-month period, and the services offered and estimated fees for the next 12-months. To ensure the ongoing fee arrangement continues, you will be required to confirm in writing annually. Confirmation may also include the requirement to sign a **Consent Form** that is provided to your relevant investment or superannuation provider.

Alternatively, you may agree to a **Fixed Term Arrangement** with your Adviser. This arrangement will outline the services you will be provided for a fee over a specific term not greater than 12 months. In this case, you will not be provided with an FDS. You may be required to sign a Consent Form where the fee is deducted from superannuation.

You may cease any fee arrangements or disengage from your Adviser by providing written notice to your Adviser or product issuer.

HOW TO PROVIDE INSTRUCTIONS

Your Adviser may accept your instructions by phone, letter, or email. In some instances, your Adviser can only accept written instructions from you, and they will let you know when this is required. Your Adviser will also need to verify your identity prior to acting on instructions.

REMUNERATION

Before providing you with advice, your Adviser will agree with you the fees that apply and explain any benefits we receive.

Your Adviser

The cost of providing financial advice or service to you will depend on the nature and complexity of the advice, financial product and/or service provided. Your Adviser or the financial planning business may be remunerated by:

Please refer to the Adviser Profile for more detailed estimates and ranges of fees and commissions.

All fees and commissions are initially paid to My Wealth Garden Pty Ltd before being distributed to your Adviser or to the financial planning business.
